## Principals Report

Dear Parents/Carers/Community Members

### PSSA Soccer

Well done to our boys soccer team, who played extremely well to win against a skilled Deniliquin Public School team last Friday with a final score was 5-2. The boys now progress to round 6 of the NSW PSSA competition, with a tough game against Hanwood PS to be played in the coming weeks.

### Parent/Student/Teacher Interviews – Tuesday 1st August

On Tuesday 1st August, we will be holding Parent/Teacher/Student meetings in the school hall between 4pm - 6:30pm. We ask that parents/carers and students attend these meetings where possible.

Tuesday 1st August bookings are currently closed online. Please contact the school if you have any issues.

### Kindergarten 2018

If you have a child commencing Kindergarten in 2018 please ensure you have collected an enrolment package from our school office. **If you would like your child to participate in our Kindergarten Transition program the registration forms need to be returned no later than Friday 11<sup>th</sup> August.** If it is inconvenient to collect the Kindergarten 2018 enrolment package from our office please contact the school and we can have one sent home with a sibling or posted in the mail.

### Education Week at Leeton PS

It was great to see so many of our parents and community support our Education week activities at school today. We hope you enjoyed your time in our classrooms and assembly.

Education Week highlights the achievements of public education and our local schools, shining the spotlight on our students, our educators and the communities that support them.

This year's theme is **I Learn, We Learn**, celebrating the commitment of the NSW Department of Education to ensure that every student, every teacher, every leader and every school improves every year.

It is a celebration of our schools' commitment to ensuring:

### System-wide improvement

Every student, every teacher, every leader and every school will improve every year.

### High expectations for all

A culture of high expectations for our students and our educators sets high standards, which leads to high achievement.

### Personalised student learning

By teaching to the strengths and needs of each individual, students will be better able to reach and exceed their potential.

### Wellbeing

Every student will be known, cared for and respected.

### Creating stronger ties with local communities

Parents and carers are our schools' partners in the education and wellbeing of each student.

Partnerships with local businesses and industry create opportunities for our students to contribute to and thrive in society.

As always, I would like to reiterate to all parents that if you have a concern or query regarding your child's education please make an appointment to see the relevant classroom teacher or appropriate Executive Member to further discuss the matter. Parents are asked to address any emails to our school email address. These emails will then be forwarded to the appropriate teacher. It is important that concerns be initially addressed with classroom teachers as often issues can be addressed quickly.

### Stage 2 AFL Gala Day

Stage 2 enjoyed sunny skies, even if slightly cool winds as they participated in the Stage 2 AFL Gala day held at the Leeton Showgrounds on Friday. They had an opportunity to learn and experience Aussie Rules playing against Small Schools, Narrandera and Parkview.

A special treat had been arranged for all students by way of inflated equipment which focussed on practicing AFL skills such as handballing, taking a mark and dodging/running with a ball.

The behaviour displayed and participation shown by all was exemplary.
