Principal's Report

Dear Parents, Caregivers and Community Members

It is hard to believe that we have already arrived at the last week for Term 2. This term has been an extremely busy one for students and teachers alike with a wide variety of activities taking place throughout the school and wider community. Activities include a multitude of sporting activities for the students of Leeton Public School including our very successful Athletics Carnival, Mortimer Shield, Tony Lockett Shield AFL, Dance and Choir activities including Riverina Dance Festival in Griffith as well as Debating Workshops and Interschool Debating.

Next Term will continue to be busy with a variety of activities taking place including Education week, student performances at KROP and the Opera House and many of our classes performing in the Leeton Eisteddfod.

Staffing

There have been some recent staffing changes at LPS which, whilst not impacting upon our 2019 classes, need to be acknowledged. Melanie Williams has recently resigned from LPS to take a position at Yanco Research Institute. I would like to wish her all the best in her new position.

Last week we filled three vacant positions at the school. Congratulations to Ms Jane Vallance, Mrs Tanya O'Halloran and Mrs Emma Hetherington who have all just been made permanent with the Department after filling long term temporary positions at our school.

Congratulations also to Mrs Dayle Block who was recently also made permanent for 5 days a week in the Front Office.

Last Week @ LPS

Riverina Representatives – Open Rugby League Championship

Last week Vula, Caydan and Jacob travelled to Sydney to take part in PSSA Open Rugby League Championship as members of the Riverina team. The team tried hard but came up against some stiff competition going down in their 1st and 2nd games to stronger Sydney teams. On day two the games were closer with Riverina losing their 4th game by 4 points against Western.

A great effort and an honour to be chosen to represent Riverina at a state level.

Premiers Debating Challenge

Last week as a part of the Premiers Debating Challenge the LPS Debating team took part in a series of debates against students from Parkview Public School and Darlington Point Public School. Our team did a wonderful job winning two of their three debates. More details further on in the newsletter.

THIS WEEK @ LPS

STUDENT REPORTS – WEDNESDAY 3rd JULY

Over the last week or so I have been busy reading student reports prior to them being sent home this Wednesday, 3rd July. I have been extremely impressed with the student performance this year and know that our students will continue to show improvement throughout Semester 2.

The reports are set out using Achievement Indicators which have been taken directly from the applicable syllabus. Students are assessed using the A-E scale which is aligned with where they are working in regards to their stage.

I would like to take the time to remind all parents that with the A-E reporting system **a student who achieves a C on their report is actually working at the appropriate stage level.** A or B is awarded to students who are working above their stage level, often bringing into their work prior knowledge. Students achieving an A are working well beyond their current stage level and have an outstanding understanding of the content covered and can apply this to new situations.

The A-E reporting system is a state wide reporting system. Students who achieve an A at Leeton Public School should achieve an A at any school in NSW.

The Common Grade Scale describes performance at each of five grade levels.

- A The student has an extensive knowledge and understanding of the content and can readily apply this knowledge. In addition, the student has achieved a very high level of competence in the processes and skills and can apply these skills to new situations.
- B The student has a thorough knowledge and understanding of the content and a high level of competence in the processes and skills. In addition, the student is able to apply this knowledge and these skills to most situations.
- C The student has a sound knowledge and understanding of the main areas of content and has achieved an adequate level of competence in the processes and skills.
- D The student has a basic knowledge and understanding of the content and has achieved a limited level of competence in the processes and skills.
- E The student has an elementary knowledge and understanding in few areas of the content and has achieved very limited competence in some of the processes and skills

Parents have the opportunity to discuss their child's performance throughout Semester 1 at the Parent Teacher Interviews which are being held next term. More details regarding these Interviews can be found below with a link to the booking site on the school website

COMING UP @ LPS

TERM THREE

Term 3 commences for students on **Tuesday 23rd July.** On Monday the staff will be taking part in an extended School Development Day where we will be covering CPR and working with Ian Luscombe around Behaviour management.

Term 3 Events

There are a number of events coming up in Term 3. These include:-

- Parent Teacher Interviews Wednesday 24th July/ Thursday 1st August 4.00pm-6:30pm
- Education Week Open Day / Assembly – Monday 5th August
- Krop 8th / 9th August
- LNPSSA Athletics Carnival Friday 16th August
- Festival of Choral Music

ATTENDANCE

Attendance is very important. It is also important that students are at school on time ready to start learning. Have a look at the charts further on in the newsletter regarding student attendance and how we may think being late and having a day off might not impact a child's learning. It is crucial that all children are at school every day on time, unless they are sick or are on approved extended leave.

School will break up for the term this Friday 5th July. Staff will return on Monday 22nd July and students will return on Tuesday 23rd July. I wish all our families a happy, fun, safe and healthy holiday.

DEBATING GALA DAY

Last Wednesday 26.6.19 several rounds of the Premier's Debating challenge were argued at Leeton Public School. The LPS teams were:

The Thinkers – Thiviya M, Daniel B, Madeline G & Lily T.

The Talkers – Mackenzie L, Mathew I, Brooke P & Phoebe N.

The Talkers first debate was against Parkview Giants. The topic was:

“That primary schools should spend one afternoon a week teaching internet skills.” The LPS Talkers were the affirmative team and they were victorious.

Next the Thinkers debated against Darlington Point Public School. The topic was:

“That we should ban all ads for unhealthy things.” The LPS Thinkers were the affirmative and won with their developing debating skills.

Finally, the LPS Talkers debated against Parkview Cats. The topic was:

“That teachers should have to participate in all school sport and exercise classes just like students.” The LPS Talkers were the affirmative team and lost their debate. The Talkers used some very valid points to argue their case.

All the debaters were a credit to our school and showed growth and confidence as public speakers as the day progressed. For most of them it was their first time competing in public debating. I was very proud of their efforts.

Next term both teams will compete again in a second Gala Day at Darlington Point.

Coach: C. Ramponi

Jennings have completed their new and improved animals and habitats. They invited Mrs Frazer and Fox to share their research and models too. The kinders shared some of their writing they have been working on. Check out these creative creatures.

Ian Luscombe – BehaveAbility

Do you know what to say or do when your child continually says “NO!” to your instructions? If you would like to find out the answer to this and many more issues related to behaviour management, then come along to a talk in the school Library on **Thursday 25th July at 7pm**. Your speaker is Ian Luscombe. Ian has been working at our school helping our teachers provide a positive supportive environment for our students.

Ian has been in Special Education for over 30 years and was Principal of Redbank School, Westmead for 15 years prior to his leaving the Education Department to establish BehaveAbility, a private educational consultancy company.

Redbank is a joint Health and Education Departments facility for the treatment of children (Preschool to Yr 6) and adolescents (Yrs 7 to 12), with emotional, psychiatric and /or behavioural difficulties.

Ian’s interactive, fun and engaging talk will inspire you to approach your child in a new way. You will gain practical ready-to-use strategies to help you in your relationship with your child.

Some of the topics covered include:

- The importance of managing our own emotions, and how to do it
- Specific management techniques for children with oppositional behaviour
- The use of techniques to prevent misbehaviours from occurring
- What words to say to your child if they say “no” to you
- How to give an instruction that will encourage compliance.

Questions regarding any of this are very welcome.

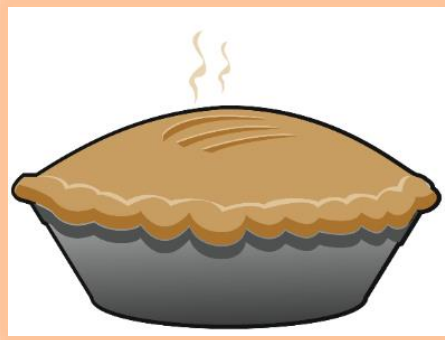

Hope you can make it.

LEETON HIGH SCHOOL

News 2019

Principal: Mrs. Meagan Crelley

Careers Expo Tuesday 18th June

Congratulations to Mrs. Goring our Careers Advisor and Mrs Palmer for an outstanding Careers Expo 2019. We had numerous schools from across the Riverina attend which was very pleasing with more exhibitors set to be onsite in 2020. Leeton High School students were fine ambassadors and were also able to gain information from the multitude of exhibitors present on the day.

Our School Captains visit Sydney

Our School Captains, Caleb Watson and Molly Wright, joined other young school leaders at State Parliament and Government House on Thursday 20th June. Our Captains were able to meet and discuss important issues relating to young people with peers from other school across NSW. Both students enjoyed their time in Sydney and represented our school with distinction.

Riverina Dance Festival 21st June

Twenty-six exceptional students travelled to Griffith Regional Theatre to participate in the 2019 Riverina Dance Festival on Friday 21st June. Our talented dancers took to the stage for two performances performing with the best dancers in the Riverina. We were also fortunate enough to have our very own Sky Dalgliesh in Year 11 perform the official Acknowledgement of Country to open the occasion. Emika Gooley, our very talented dancer in Year 9, was also recognised for her selection in the NSW Public Schools Dance Ensemble to perform at the 2019 Schools Spectacular in November. We also had some of our students work to manage backstage operations. These young people were amazing and kept things ticking over nicely. Our School Captains Caleb Watson and Molly Wright were exceptionally professional in undertaking their MC role during both shows, entertaining the audience with ease. All in all, this year's dance festival was an enormous success for our school and we thank our dedicated staff for preparing our students for this amazing opportunity. I also thanks our students for being marvellous ambassadors for our school.

NAIDOC Week 2019

On Thursday 4th July, Leeton High School will hold a celebration to acknowledge NAIDOC Week 2019. The powerful theme for this year is ***Voice. Treaty. Truth. Let's Work Together.*** We have engaged Mr. Michael Lyons and the Sandhills Artefacts group to share Wiradjuri Culture with our students and staff to commemorate this important time. Students will experience: Cultural Dance with Mr. Joey Longford; Story-telling and Didge playing Bush Food;; Indigenous Games; Aboriginal Artefacts; and Art. Celebrations will commence after recess. There is no cost for the day.

Year 7 2020 enrolment forms

We would be greatly appreciate getting enrolment forms into the school office by the end of term to help assist in planning for our Year 7 classes next year. Enrolment forms and other permission notes are available from the office or on our school website. Year 6 students have received an enrolment package during our Transition Program this term. Any enrolment queries please contact the school on 0269532122.

Have a great break!
